

AMBASSADOR ACTIVITIES

Secret Compliments – In Person

This is similar to a secret santa gift exchange, but participants will be giving compliments instead of gifts. It is great to use alone or after doing the Toothpaste Challenge and/or Wrinkled Heart activities.

HOW TO

In Person

1. Create pieces of paper or note cards with the names of each participant (2 pieces of paper for each name)
2. Have participants randomly select 2 papers with others' names. Be sure they do not get their own name or get the same name twice. Make sure participants know to keep the names they've drawn secret.
3. Participants will write a compliment or kind thought on each paper specific to the person whose name they've drawn.
4. Place all papers into a box or gift bag.
5. Draw out papers one at a time, read each aloud and then give the papers to the named participant to keep.
