

PROJECT IDEA

Cafeteria Kindness *By Jessica Ryan*

*Cafeteria Kindness is connected to Human Kindness. This activity is designed for **School Lunch Hero Day 5/6/22 (Fri)**, but can be applicable for any day! Coordinate with your school's principal and administration if you can collaborate on this day. If they choose to give the cafeteria staff a meal, the students can dress up in black "uniforms" to look like fancy servers. The students can act as waitstaff for the cafeteria staff! They can be involved with setting up the event as well. If more students are needed, maybe involve the safety patrol. This could be a before or after school event.*

HOW TO

If you would like to have the whole club involved, you can make posters with food puns such as:

You're So Ap-peach-iated

We Cereal-sly Appreciate You

We Appreciate You A "Waffle" Lot

You Take The Cake

We "Donut" Know What We'd Do W/O You

You Are Grape-ly Appreciated

Thanks A Bunch For Our Lunch!

You Are Pear-fect

You're One In A "Melon"

Add a recycled bonus by cutting out pictures of the food from supermarket ads to match the poster puns!
