

## PROJECT IDEA

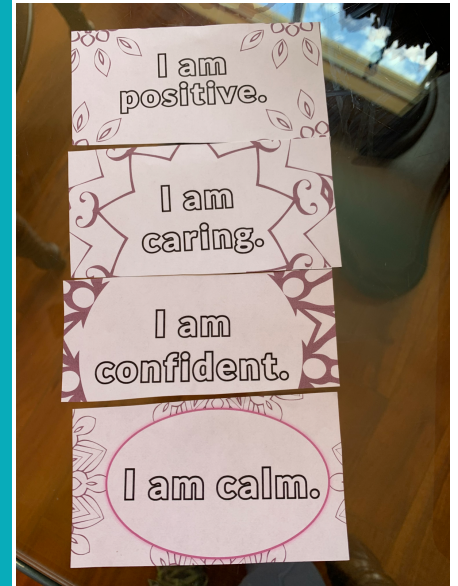

### **Cards for Kids** *By Linda Rosen*

*The Cards for Kids Project is a project where students can create and write kind messages to kids in hospitals. This can be for Valentine's Day or the holidays. You can write positive affirmations on the cards to bring more peace and joy into their lives.*

#### **HOW TO**

---

1. Gather paper, markers, and other decorative materials.
2. Write on and decorate the paper to create cards. They can be signed or anonymous.
3. They can include affirmation statements as seen on the cards in the image or phrases such as "You got this", "You are strong", "We support you", or something similar.
4. Deliver these cards along with any other goods you want to donate (i.e. flowers, baked goods, stuffed animals, etc.)

#### **ITEMS NEEDED**

---

1. Blank paper (any type: construction, printer, cardstock, or other)
2. Markers, pens, or other writing utensils
3. Any other decorative materials
