

PROJECT IDEA

School Bulletin Board L.E.A.D. (Attitude of Gratitude) *By Jessica Ryan*

Make a bulletin board in a common area dedicated to the School Officer(s). Students will contribute by making easy crafts; with a touch of personalization and appreciation. The board will have a "Hero" theme. Create an easy backdrop of a night time city scene with buildings and a space for the police car craft to add below as if to look like they are patrolling the road. The star cut-outs can be used as a small hand-written thank you note from the students as well. They will adorn the night sky. The crafts can be divided by age &/or interest/choice.

HOW TO

Headline examples:

Because of the Brave, We Are Safe
We See You. We Appreciate You.
You Help Our School & That Is Cool!
Heroes Work Here!

Get Creative! Tips to make your board your own! Add your officer's name(s). Easy buildings can be made with large black rectangles and small yellow windows. Superhero theme backgrounds or disposable table cloth could lessen the work. Add a cute moon in the sky. **Encourage &/or present motivational words to the children making the police car craft to add:**

Communicate with your principal & administration if the club could ask for parents to donate anything special to celebrate **National Law Enforcement Appreciation Day. It is celebrated annually on 1/9.** A mini questionnaire could be made for the school officer to showcase on the school's communication platform.

Example Q's:

Have you ever had a K-9 partner? What's your favorite police automobile? What made you take a position at an elementary school? Would you like to tell us about your past experiences? Are there any hobbies/activities you like to do in your spare time?
