

Supporting Those Suffering with Illness

Project Ideas:

Take time during the holiday season to offer comfort and cheer to those suffering from illness or injury.

Make-A-Wish

Write letters to Santa, and/or make letters and artwork for participants of Make-A-Wish. Letters and artwork received in December are matched with \$ donations. Details at <https://bit.ly/3xRKMVs>.

Create artwork to help brighten the day of those in the hospital or home with an illness/injury, <https://bit.ly/3vIPUiS>, or try your hand at creating a video to share.

Volunteer, donate toys, or host a fundraiser to benefit Joe DiMaggio Children's Hospital. Visit <https://www.jdch.com/give> for specifics, including donation items accepted.

Collect Lego for sanitizing and redistribution to children's hospitals and organizations. Visit <https://bit.ly/3vQgY8P> or <https://bit.ly/3vnV3Hq> for details, including which organization accepts new Lego sets in addition to used Lego pieces.

Have a neighbor, extended family member or friend who is shut-in due to illness or injury? Make a meal or treat to share and ask to stop by for a visit. Try a video or phone call if they are unable to host guests in person.

Build your own project to help someone who is suffering from illness or injury. Be sure to share it with us at <https://bit.ly/3f2zfrK>.
