

ENGAGING IN UNITY TO STRENGTHEN OUR COMMUNITY

Topic of the Month: SUMMER RECHARGE

Restoring ourselves and reconnecting with our intentions and goals.

Put Your Kindness into Action

With the school year ending and summer upon us, it's the perfect time to slow down our hurriedness, recharge our body and mind, and reconnect with what is most important to us. **Some activities to consider:**

Reconnect with Nature

Sensory activities like spending time in nature are a great way to boost physical and mental energy and reduce stress. Take a listening walk, engage all five senses, focus on the present moment, and observe all you see, smell, hear, taste, and feel. Get out in the garden and connect with the earth walk barefoot, or lay in the grass for a mindful moment outdoors.

Reconnect with Creativity

Taking time to create is one of the best activities for finding peace, relaxation, and focus, helping us be more present and engaged in the world. Take a creative break to do a craft or activity you enjoy but may not always have time for. Sketch, draw, journal, paint, color mandalas, or grab a glue stick and create a mood or vision board—whatever lights you up.

Reconnect with Intent

Carve out time for a mindful mental recharge through reflective journaling or positive affirmations. Engage in a breathing exercise, a 5-minute meditation, or light yoga. Remember, these small escapes and deep breaths are free; you can transform any notebook into a gratitude journal. Reflecting on your experiences and setting intentions is a powerful way to recalibrate and reset yourself for the days, weeks, and months ahead.

Essential Needs Collection

If you live in Palm Beach County, join us in collecting essential items for those who need a helping hand in our community. Visit the [Kindness Angels Facebook page](#) for items needed and drop items off on the third Saturday of the month from 2:30–3:30pm at St. Gregory's Church, 100 NE Mizner Blvd. in Boca Raton.

Create Your Own Project

Work with your community to determine what is needed and create a project to address those needs, practicing the monthly topic. KM365 Ambassadors can visit the Ambassador Resource Library for ideas.

REFLECT: Now that we know how important it is to unplug and connect with what recharges us, what lessons or activities have you learned that you'll take with you through the summer and beyond?
